

# Face masks are required in Vermont public spaces.

**Effective August 1, 2020, in Vermont, you are required to wear a face mask in public spaces, any time it is not possible to keep a 6-foot distance from others who are not part of your household. This includes both indoor AND outdoor spaces and group living settings (for example, long-term care facilities, nursing homes, apartment and condo complexes).**

## Be Part of the Solution. You Can Keep Our Community Safe!

**Wash your hands often with soap and water for at least 20 seconds.**

**Keep a 6-foot distance from others when you are out.**
